Artesia Chamber of Commerce Great Benefits and More!

The Mission of the Artesia Chamber of Commerce is to improve the economic welfare and quality of life in Artesia by promoting tourism, encouraging the adoption of progressive public policy, and predicting an environment favorable to retention, expansion and recruitment of business.

TOP 10 REASONS TO JOIN THE CHAMBER!

- 1 STAY IN THE KNOW.** Get information and stay tuned in on what is happening in the community. We share information regularly about events, activities and other information you might like to know about community engagement and involvement.
- 2 PROMOTE YOUR BUSINESS!** When you sign up as a new member, we will spotlight your ribbon cutting in the newspaper, in our email blasts and on social media. We will continue to share information when you have special news, promotions or announcements.
- 3 SHARE YOUR BUSINESS.** Have access to Chamber Chat, our twice weekly email blast that allows you to place information about your business or organization's special activities. Only members can place information in our Chamber Chat, but anyone can receive it. So, many people outside our membership network will receive your information. We also share your information on social media for another opportunity to reach people.
- 4 NETWORK.** Get special invites to networking events and other special events hosted by the Chamber or its members to increase your visibility in the community. Every time you get to know others in the community you increase your chances of gaining a new customer.
- 5 USE OUR BENEFITS.** The Chamber has a list of benefits that are accessible to our members, such as free listing on our website, updated membership mailing labels once a year, bulk mail permit, inexpensive copies, and access to a staff who is willing to help with your special requests.
- 6 GET REFERRALS.** Many consider the Chamber a good first stop when looking for information about our community. We proudly refer our member businesses every chance we get.
- 7 HAVE A VOICE.** The Chamber looks for opportunities to put member businesses and elected officials from every level of government together. We host meet-the-candidate events, host elected officials events, and work to bring matters of concern to your attention.
- 8 BE KNOWN AS A COMMUNITY SUPPORTER.** Our Chamber works hard to be part of making our community great through economic development, community projects, event planning and marketing. Your membership tells us and the community that you care, too. We hope you will proudly display your Chamber diamond to show that you are an active supporter of the community.
- 9 OPT TO BE ACTIVE.** As a member you can choose to serve on a Chamber Committee or the Board of Directors in order to move a project forward or actively participate in shaping the Chamber's activities. If volunteering is not quite your thing, we can help you find something else that suits you.
- 10 OUR STAFF!** We at the Chamber are always ready to help. We will help you with solutions to problems, search for an answer, market our members, and generally find a way to make things possible. We are service and member oriented!
